YES! THANK YOU

Palatine Public Library District Staff and Board of Trustees are grateful to the community for their support of the Library referendum. We want to thank all of the community groups and individuals who took the time to learn about the referendum and provide us with feedback.

Because of your support, we can move forward and plan our next steps to address our major capital repairs, increase services, and begin interior renovations. Please know that we care greatly about the impact this may have on our community and will work hard to continue using taxpayer dollars in the most fiscally responsible way.

We look forward to many productive years of providing the community with MORE of What You Love.

Please watch our website for updates and opportunities to provide us with your input. If you wish to be invited to upcoming focus groups to give your input, please submit your email: eepurl.com/gmlYsf

Thank you!
