Renovation Phase 2 and 3

We are well into our Main Library Renovation Project and getting more excited to provide new spaces in the Library. The project, which started in December, is ahead of schedule and should finish in the Fall. We have made sure that visitors have access to most if not all collections. Signage in the Library directs you to the temporary location of materials, and staff are always able to help.

Phase 2 (May – June):

- **Adult Collections, Music, Movies, and Teen Graphic Novels** are located on the second floor.
- **Youth and Teen Collections** are shifted to a temporary location on the first floor. Some items are in storage, but staff can place holds for titles from other libraries.
- **Service Desks** on both floors have been temporarily relocated.
- **Youth Area and Story Rooms** are blocked off for construction.
- **New North Entrance** will be created for easier access from the west and east parking lots.

Phase 3 (Starts in July):

- **Youth and Teen Collections** will be back in their newly-renovated home!
- **The Workshop Desk** and spaces will be introduced on the first floor with new technology, digital media studios, and a maker lab.
- **New Materials, Movies, and Music** will also return to the first floor.
- **Adult Collections** on the second floor will be temporarily closed to the public. Staff will be able to retrieve materials upon request.

More to Look Forward To

Once the renovation is completed in early 2022, we look forward to offering you a new and improved library!

- More study rooms and collaborative spaces
- New north entrance for easier access from the parking lots
- A new makerspace and expanded digital media
- A more convenient café with healthy vending options
- Space to easily browse new and popular materials
- A larger, quiet reading room overlooking the pond
- A nursing mother's room
- Expanded teen space
- Dedicated elementary space

After the completion of the Main Library renovation, we'll also be renovating our North Hoffman and Rand Road Branches.

WE ARE FINE FREE!

Reminding our current and new cardholders – we are Fine Free! Since moving to the CCS Consortium, items checked out at Palatine Library locations that are returned late will not accrue overdue fines.

How Does Fine Free Work?

Materials still have due dates. Materials checked out will automatically renew twice unless an item is on hold, then it will not auto renew.

A reminder notice is sent three days before due date.

The account is blocked 20 days after due date.

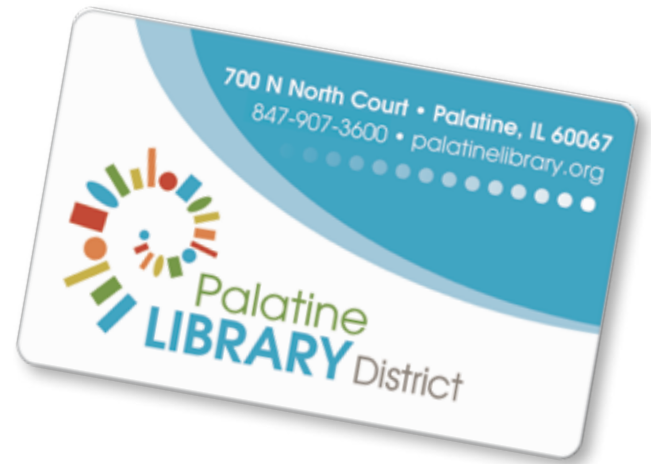

Members are billed for items that are lost or damaged.

Not Every CCS Library is Fine Free

Items checked out at a CCS library that does charge fines will accrue overdue fines, even if returned to a fine free library.

Visit palatinelibrary.org/borrowing-rules for full details.

My Account Conveniences

As part of the CCS Consortium, we share an online catalog and patron database with 28 area libraries – which means you have access to five million items!

When you log on to the catalog from palatinelibrary.org, there are several new features under **My Account** that allow you to customize how you want to get information. Once you create a custom username and password you can:

- Change item pickup and notification options
 - Get text item information to your phone
 - Find similar reads
 - See your checkout history
 - Create catalog lists
 - View a map of library items in CCS
- Need help accessing your account?
