DECEMBER 2024 FINANCIAL HIGHLIGHTS

HIGHLIGHTS FOR THE MONTH

- Total cash in the bank for the period ending 12/31/24 was \$9.2 million with an additional \$8 million in long-term investments.
- \$97,000 was received in income in December, \$42,000 of it coming from interest income.
- Top 3 Expenses for the month were: 1. Payroll \$490,000, 2. Bond Principal & Interest Payment \$320,075, and. Liability Insurance \$112,500. We are 50% through the fiscal year with \$5.6 million in income and \$4.8 million in expenses, resulting in a \$850,000 million surplus for the year.

Budget Variances

1. **5104 Databases** has a budget of \$219,000 and we have spent 88% of the budget. The majority of the databases are renewed at fiscal year start, so we would expect to have spent most of this budget.
2. **5207 Computers/Technology** has a budget of \$315,000 and we have spent just 11% of this budget. The budget calls for 170 staff and public Windows workstations to be replaced at a cost of \$250,000. This project has just been started.
3. **5310 Gross Salaries** is at 42% of budget. We expect this to trend more closely to budget as the new market and salary increases take effect.
4. **5774.90 General Service Supplies** is at 64% of budget. Goal 1.3 of the Strategic Plan says, “Understand and prioritize staff needs for supplies, equipment and space”. We’ve encouraged managers and staff to ask for equipment and supplies to make their jobs easier, so from lockers at Rand Road Branch for employee’s to store their personal effects to grabbers and extensions to hang decorations more easily, we’ve spent more money in this category than budgeted.
