

Draw the face you would make if ...

your mom bought you an ice cream cone!

Draw the face you would make if ...

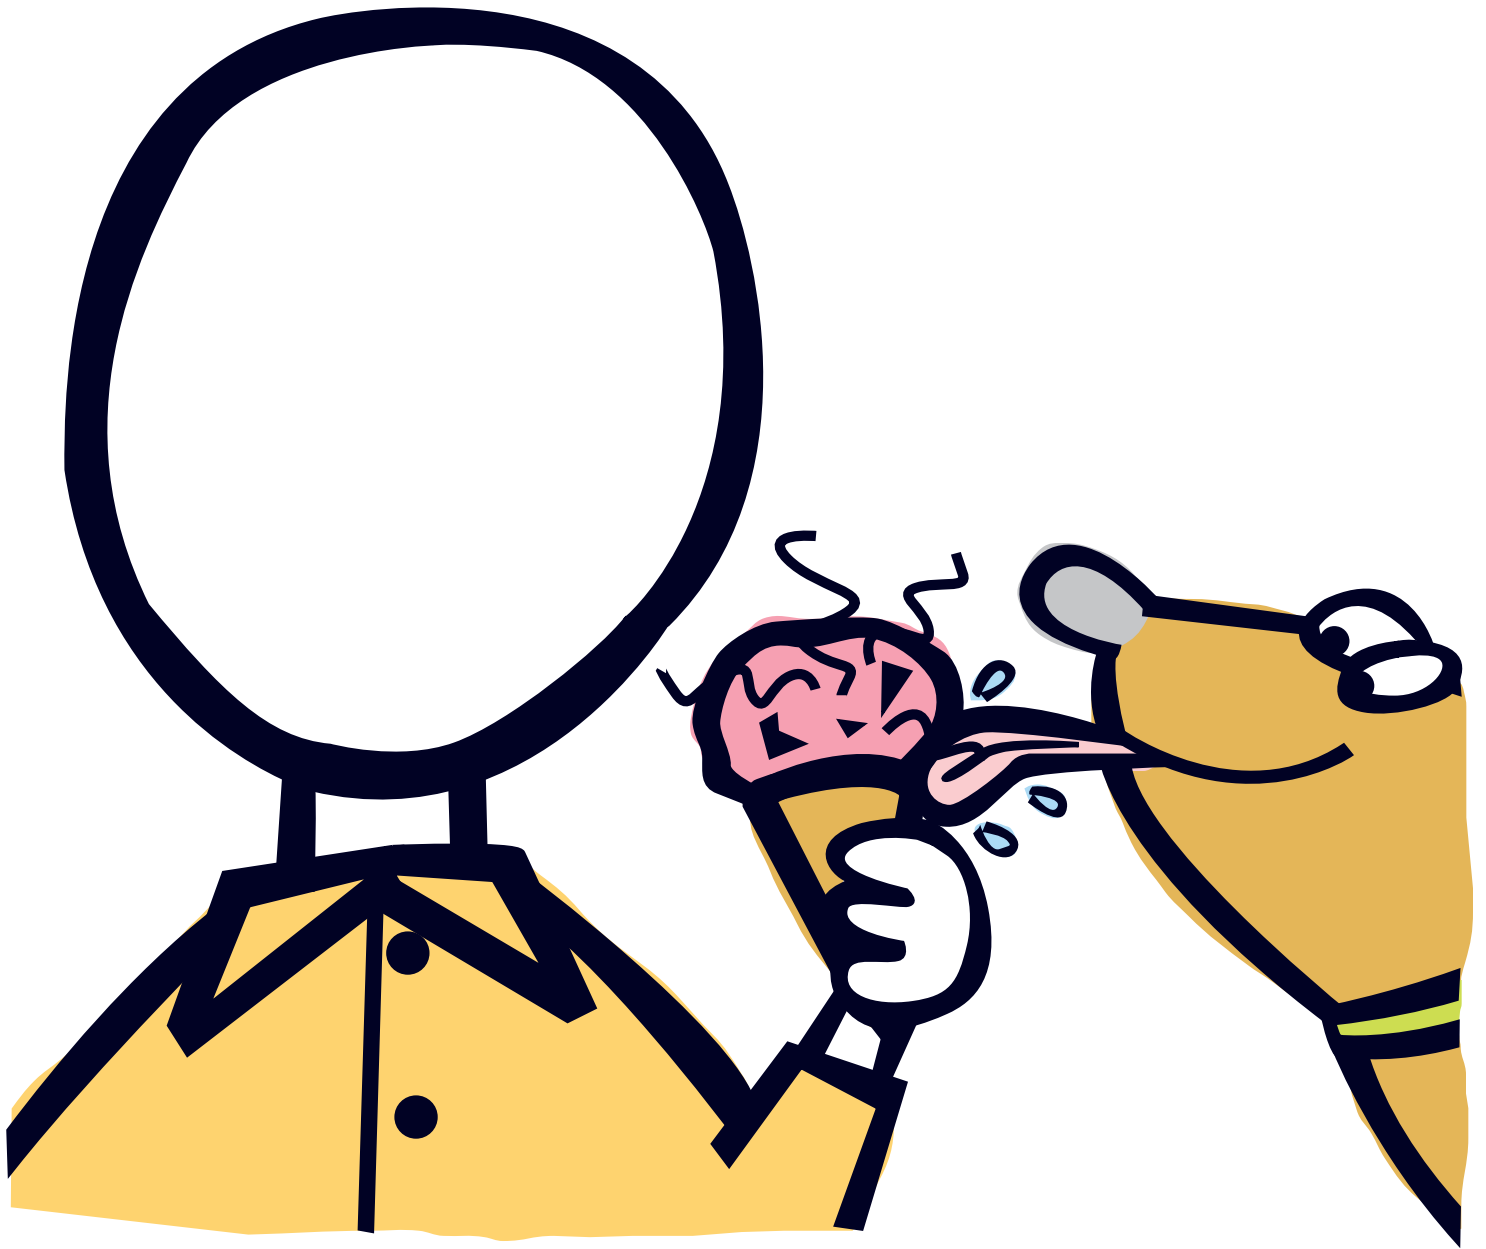

you dropped your ice cream cone!

Draw the face you would make if ...

you didn't think your ice cream cone looked **too** dirty.

Draw the face you would make if ...

a dog jumped up and **licked** your ice cream cone!

Draw the face **your mom** would make if . . .

you ate your ice cream cone anyway!
